Serenity Infant Care Homes FFA is licensed to serve children between the ages 0 through 18.

For the purposes of this review, four discharge files and seven currently placed children's case files were reviewed, and two of the seven foster children were interviewed, as five children were too young to be interviewed. In addition, two certified foster parent (CFP) files were reviewed and the foster parents were interviewed. Four staff files were reviewed for compliance with the Title 22 regulations and contract requirements.

There were no children on psychotropic medication.

Visits were made to two certified foster homes to assess the quality of care and supervision provided to children, and interviews were conducted with the children to assess the care and services they were receiving.

A copy of this report has been sent to the Auditor-Controller (A-C) and Community Care Licensing (CCL).

EXIT CONFERENCE

The following are highlights from the Exit Conference held May 27, 2011:

In attendance:

Jennifer Choctaw, Executive Director; and Linda Kontis, Director of Child Placement, Serenity Infant Care Homes, Inc.; and Thomas Manning, Monitor, DCFS OHCMD.

Highlights:

The FFA Directors were in agreement with the results of the monitoring review. The FFA Directors stated they recently had to down-size the agency, and, despite the poor economy, they secured employment for every worker who was laid off. Their efforts are indicative of the service they provide for the children and families they serve. Moreover, they pledged to maintain the highest quality of service and care to the children and families they serve.

We will assess for full implementation of the recommendations during our next monitoring review.
